MANDATORY SECTION – PROPOSED DEMOLITION Use the space below to sketch/schematic that shows:

- dimensions, location, and shape of the property
- any relevant features such as embankments, rivers, streams, ponds, driveway(s), adjacent properties, removals to be done, easements/right-of-ways, etc.
- dimensions, location, and shape of any proposed demolition

A large, empty rectangular box with a double-line border, intended for a sketch or schematic drawing. The box is currently blank.

*** MANDATORY SECTION – GRADING PLAN*** Use the space provided (or attach your own drawing) to sketch:

- the size and location of the land along with any bounding properties
- proposed grading of the land (include approximate elevations and/or slopes)
- the proposed location and extent of groundwater mitigation measures (culverts, French drains, curb/gutter, swales, etc.)
- the location of any existing buildings, dwellings, and features such as embankments, rivers, streams, ponds, driveway(s), etc.

A large, empty rectangular box with a double-line border, intended for the student to sketch their grading plan. The box occupies the majority of the page below the instructions.

PLEASE REVIEW & SIGN

Collection, Use and Disclosure of Personal Information

Personal information means *recorded* information about an *identifiable* individual, including the individual's name, address or telephone number. The full definition of personal information can be found in Section 2 (u) of *ATIPPA*.

We may collect and retain personal information for a number of reasons.

Examples include:

- Permit Applications
- To communicate with you about our services
- To collect taxes
- To communicate any changes or disruptions in services

Any personal information will be collected in compliance with *ATIPPA*. Information will only be used for the intended purpose, a related purpose, or another use authorized by *ATIPPA*.

You should be aware that under these guidelines, personal information you provide may be disclosed in the following documents:

- An Access to Information Request, where the disclosure would not be an unreasonable invasion of privacy
- Correspondence tabled at a public meeting; or
- Public documents
 - Adopted Minutes
 - The Assessment Roll
 - Regulations
 - The Municipal Plan
 - Open Public Tenders
 - Financial Statements
 - Auditor's Reports
 - Adopted Budgets
 - Contracts
 - Orders
 - Permit
 - Any documents tabled at a public meeting

If you do not wish to have your personal information disclosed in a public document or tabled at a public meeting, please indicate this in your correspondence. We will take your concerns into account but cannot guarantee the information will not be disclosed. By signing you are giving permission for your personal information to be tabled with this application at a public meeting.

Application Process

As part of the application process a site visit will be conducted to ensure the accuracy of the information provided by the applicant as well as compliance with the Town's policies/regulations.

- Prior to submitting the application, the applicant will be required to mark the proposed structure to be demolished on the property for the purposes of a site visit to be completed by Town staff. Structure being demolished must match up with the dimensions/measurements/location as outlined in the application.
- Once the application is received by the Town, a site visit/inspection may be conducted at any time prior to the public meeting.
- Information collected during the site visit will be included with the application for Council's review and consideration at the regular monthly public meeting.

If the application is approved:

- The applicant will be notified of approval and any specific conditions that may be required.
- Once the conditions have been met, the applicant can arrange for payment of any applicable fees, deposits and/or outstanding taxes and the permit will be issued.
- Once the permit has been issued, and site work has commenced, the town may perform an inspection to ensure that the conditions attached to the permit and the towns policies/regulations are being met.
- Failure to comply with the conditions of the permit and/or any town policies or regulations may result in a "Stop Work Order" being issued.

If the application is denied:

- The applicant will be notified that their application has been denied.
- The applicant will have the option to file an appeal with the Eastern Regional Appeal Board.
- The applicant may choose to submit a new application. The new application must contain new information or a material change to the proposed development.

Appeals:

- Any interested party has a right to appeal a decision of Council to the Eastern Regional Appeal Board Department of Climate Change, Environment and Municipalities, P.O. Box 8700, St. John's NL A1B 4J6, within 14 days of the date of the decision.

Signing of this document provides acknowledgement that you have read and understand the requirements of the ATIPPA legislation as well as the Town's application and permit process.
