

TOWN OF BAY BULLS

THE BACKYARD COMPOSTING PROGRAM IS BACK!

ABOUT THE PROGRAM

Each year, MMSB partners with municipalities across the province to offer compost bins to residents at a reduced cost. Since 2005, MMSB has partnered with over 171 municipalities and distributed more than 30,000 compost bins to residents across the province. One-third of waste that residents place at the curbside is organic. Promoting backyard composting of organic waste will reduce greenhouse gas emissions, create healthy soil and save landfill space—all while saving communities money.

COMPOST BIN INFORMATION

The 37-gallon compost tumblers will be available for purchase at the Town Office the tumblers come unassembled in an easy-to-carry box measuring 23" x 23" x 8".

The purchase price per tumbler for Bay Bulls residents is \$55.00 (HST included). Similar tumblers retail for over \$125.00, meaning residents will save over 40% by purchasing a tumbler under the MMSB Backyard Compost Program.
