

MEET YOUR CANDIDATE

COREY RONAYNE

WHY ARE YOU INTERESTED IN SERVING ON COUNCIL?

I have always been committed to improving the services and community activities in our region. My family and I have lived in Bay Bulls for the past 16 years, and as a father of three young boys, I want to ensure our community continues to grow and thrive. I have had the privilege of serving on the Town of Bay Bulls Council for the past three years, and I would be honored to continue contributing to the growth and success of our town. Through my professional experience, I have developed the skills needed to help Bay Bulls become a strong regional center. With a young family, I am determined to support the development of community infrastructure, and by listening to residents' ideas and concerns, I believe I can represent all demographics of our town.
