JASON O'BRIEN

WHY ARE YOU INTERESTED IN SERVING ON COUNCIL?

To serve and represent the Residents of Bay Bulls.

To assist in developing our Town to its greatest potential while utilizing the revenue collected from the Residents in conjunction with various Funding to continue make our Town a more attractive place to live.

To utilize my professional experience to assist the Town in developments and Contract management. To assist in reducing third party consultant costs.

WHAT ARE YOUR TOP PRIORITIES FOR BAY BULLS?

Town development and growth.

Promoting and making our Town a leading community in Newfoundland.

Ensuring our Towns infrastructure and assets are maintained to achieve the longest life use.

Ensure that any issues or concerns from the residents of the Town are heard and acted on.

TELL US ABOUT YOURSELF?

For those who may not know me, I've lived in this Town my entire life with my family. I am the son of Patsy O'Brien, I have a son Jesse. My brother John also lives in Bay Bulls.

I graduated from Civil Engineering from Memorial in 2005 and has been a Professional Engineering since 2009. I have 20 years of experience in the engineering and construction fields, where I have developed strong management and leadership skills that will be an asset to the Town. I have been working at construction management on many mega projects in Newfoundland and across Canada.

Over the past term on council, I have been actively involved with the Town as Deputy Mayor, Chair of Southern Shore Joint Council, and a Director for the Southern Shore on the ERSB. These are examples of my dedication to the Town and the Southern Shore. I will bring consistency, commitment, and an energetic view to the Council along with fresh ideas and on a strong focus on the responsible use of our tax dollars.
